FEDOROVKA IRBM COMPLEX, USSR  
LAUNCH AREA

25X1A

Fedorovka Launch Area (TDI name: Traktoyy Launch site) -- Type III 54-25-15N 62-23-00E

FIGURE 1. FEDOROVKA IRBM COMPLEX.

The Fedorovka Launch Area is located in a gently rolling area 5 nautical miles (nm) southwest of Traktoyy, in the central portion of the USSR (Figure 1). This launch area is the most distant from the Soviet border of any IRBM launch area identified to date. It is singly deployed and similar to eight other MIRBM/IRBM launch areas in that it does not have an associated site support facility. There is no apparent road connecting the launch area with the nearby road network and the nearest rail line passes 18 nm to the northeast.

The launch area was not present on KEY-HOLE coverage of [REDACTED] and first appeared in [REDACTED]

[REDACTED] It is noteworthy that all nine of the singly deployed launch areas which have no site support facilities were constructed during the [REDACTED]
